

# National Cheng Kung University Directions for the Selection of Students Participating in International Exchanges

Passed by the Student Club Review Committee Meeting on April 14, 2006  
Amended by the Student Club Review Committee Meeting on May 10, 2018

## **1. Goal**

These guidelines are prescribed to establish a fair system for selecting outstanding students to attend international exchanges in the interest of encouraging students to participate in public matters and broaden their international perspective.

## **2. Qualifications**

Students of this University who have been in a leadership position of a department, club, student organization, or other important cadre may sign up.

## **3. Selection Committee**

The selection committee shall consist of five members, including the director of the Student Development and Activities Division, club guidance counselors, and student representatives.

## **4. Selection Categories and Information**

- (1) Experience and current position (name of organization, position, tenure);
- (2) Public service experience (public service activities, special contributions);
- (3) Participation in activities (speeches within and without the university, training, lectures);
- (4) Expectations regarding international exchange.

Supporting documentation must be provided for examination and listed on the application form.

## **5. Scoring**

Applicants shall be scored in the four categories listed under Article 4, with the total score not to exceed 100.

**6. Submission of Information**

Student application documents shall be collected by the Student Development and Activities Division.

**7. Admission (Acceptance)**

Participants shall be selected on the basis of their overall review score. In the event of a tie in the overall score, priority shall be given to higher scores in (1) experience and current position, (2) public service experience, (3) participation in activities, and (4) expectations regarding international exchange.

**8. The Directions are passed in the Student Club Review Committee Meeting before implementation. The same shall apply to any amendments to the directions.**
